

## PROGRAM FEEDBACK – PARENTS/GUARDIANS

Uniting Church in Australia  
SYNOD OF VICTORIA AND TASMANIA

We want to make our program great for your child. We're asking children what they love and what they'd change about our program. We'd love to know your ideas and feelings as well. You're encouraged to share feedback about anything at all, for example our activities, programs, workers, facilities, equipment etc.

**Keeping  
Children  
Safe**

Program name:  
Attendance date:

1. We try to deliver activities that are engaging and safe for children, please tell us what you think about our programs
2. We screen and train our workers, so that we have safe and skilled people delivering activities for children, please tell us what you think about our workers
3. We aim to use facilities and equipment which are appropriate and safe for children, please tell us what you think about our facilities
4. We would like to encourage people to raise concerns and speak up when they see something they feel uncomfortable about, please tell us about any other issues in our group which concern you
